## From the President

Hi all, hope you are all keeping your cool over this hot spell, which is not really the best weather for Pétanque, but the diehards keep on playing.

We held the first of our annual open competitions in February the Twilight Triples. The numbers were down a little on last year, but it was a great competition with all agreeing that night games were the go for summer. Many thanks to Marek and Christine for their stoic efforts in the kitchen.

As you have noticed some reparations have been happening to the front left piste. George and Rob have been putting in the hard yards spreading and compacting gravel. It needs a couple more weeks to settle before we can play on it. It is going to be a little different to play on but I'm sure you will all be up for the challenge. Thanks guys you're doing a great job.

P.W.A. held the State Shooters Competition at Subi last Sunday. There was a few Subi players competing. It is not easy, and I take my hat off to all those willing to give it a try. Congratulations to all the entrants

Stay cool everybody.

See you on the piste

Val

## Club Ladder

If you want to know where you are on the President's Cup Ladder just visit the club web site at [www.petanque-subiaco.com](http://www.petanque-subiaco.com)

All will be revealed.

Question from George. Club Coach and Umpire (and greenkeeper).

When is a dead boule not dead???

Answer next month.

**The Umpire's Corner . . .**

**Q.** In a game last Wednesday night, some clown on the other team held a boule in each hand and tossed both boules at once. One of his boules took the point. His other boule landed in third position.

*He put on a good show. But tell me, Ump, was it legal to toss two boules at once?*

**A.** That's a good question. And the answer is, "No, it's not legal."

Tossing two boules at once may be a playful diversion, but it isn't pétanque. The toss was invalid. Both boules that he tossed should have been disqualified for that round. They should have been taken out of play and removed from the court.

And the final words on St Patrick's Day.
